

This form will be used to assess DNN TECH Faculty requests to collaborate with individuals who are neither US citizens nor permanent residents. Please complete this form and send it to dnntech@utk.edu.

Provide a brief statement describing the nature of the proposed collaboration, including the name, citizenship and institution of the collaborators.

Provide reasons for why this collaboration qualifies as fundamental or applied research.

I understand that approval of the collaboration described above has no bearing on NNSA's policy, which DNN TECH adheres to, that no DNN TECH funds may be provided to those who are neither US citizens nor permanent residents. (check yes to agree)

DNN TECH Faculty requester name, date and signature:
